

GALA 2024

2024 GALA SPONSOR BENEFITS

Selah Place (say-luh) is a Christian non-profit organization for **new or expecting mothers (aged 18–30 years)**. Mothers are provided safe, **secure housing for themselves and their children**. Some of our mothers are at risk of being homeless and having their children placed in foster care. We support them by offering **housing, a community, and the gospel**. They are also supported with basic life skill training, parenting classes, and counselling.

To raise funds and awareness for our ministry we are **planning our third annual Home for Good gala**, to be held on **October 19, 2024, at the Fort Garry Hotel in Winnipeg**. We are asking you to please consider becoming a sponsor for our event.

We are in need of your company's monetary donation to aid in covering gala expenses and therefore increase the funds raised to house the women and provide them with programs needed for mental wellness and independent living.

Each sponsorship level comes with a range of benefits for your business. This includes brand exposure, marketing opportunities, website promotion, social media promotion, and acknowledgment at the event.

350 guests attended our gala last year and we anticipate more this year, including an increase in community leader attendance. We encourage you to use this opportunity to reach potential customers and showcase your commitment to local Winnipeg causes impacting our city.

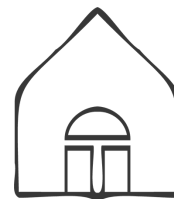

We appreciate your consideration in becoming a sponsor for our Home for Good gala. **Following are the benefits allocated for the different sponsorship levels** to help you determine which level is most suitable for your business. Please contact me regarding sponsorship or with any questions.
